EDITORIAL CALENDAR – E&E MAGAZINE & WEEK NEWSLETTER

E&E – Topic Overview Magazine & Newsletter	
E&E Cover Topic	Current trends in a 360-degree view: Embedded, Power, Smart IoT, E-Mobility, AI & HPC, electronica
E&E Special	Connection Methods, Automotive, Distributor Special, Railway Electronics, Cooling of Electronics, Industrial Electronics
Net Zero Electronics	All Electric Society, Smart Technology, Green Components, Materials and Resources, Product Lifecycle Management, Recycling, Circular Economy, Supply Chain, Design for X, Power Management, Energy Harvesting, Efficient Power Supply, Battery and Charging Technology
Next Electronics	AI, Quantum Computing, Internet of Things (IoT), Future User Interface, NextGen Wireless, Networking, 3D Printing, Additive Manufacturing, Cyber Security, Security by Design, Cutting Edge Development, Connectivity, Simulation
Electronics Solutions	**Power Supply & Power Electronics:** Power Supplies, Converters, Accumulators, Batteries, UPS, Charging, IGBTs, MOSFETs, Thyristors, Smart Power ICs, Discrete Devices, Power Management **Embedded Systems & Microcontrollers:** Embedded Boards & Modules, Edge Computing, HPC, IPCs, Platforms, MCUs, DSPs, FPGAs, SoCs, Chipsets, Processor Architectures, Memory **Connection Methods:** Connectors, Terminals, Jacks, Termination Technology, I/O Components, Cables, Accessories **Development Tools & Prototyping:** Chip & PCB Design, EDA Tools, CAD/CAE Tools, Development Tools, EMS, Prototyping, 3D Printing, Simulation, Development Kits & Boards, Metrology, Test Software, Semiconductor Materials, Validation, Debugging, Verification **Components & Electromechanics:** Active Components, ICs, Capacitors, Resistors, Inductors, Crystals, Oscillators, Transformers, Chokes, Coils, Filters, Ferrites, Ceramics, Packages, Passive and Active Cooling, Fans, Relays, Thermal Conductive Materials, Accessories **Distribution & Services:** Component Sourcing, Technical Consulting, Supply Chain Management, Logistics, Electronics Services, Obsolescence Management, Component Traceability, Recycling **Displays & HMI:** Display Technologies, Control Electronics, Display Integration, Touch Technologies, Input Systems, Switches, Buttons, Keyboards **Measurement & Sensor Technology:** Measurement Devices, Measurement Methods, Measurement Sensors, Sensor Technology, Measurement Software, Environmental Tests, EMC, ESD, Certifications, Compliance, Practical Know-how **Software & Coding:** Operating Systems, Embedded Software, Licensing, Software Engineering, Programming, Cloud Computing, Data Analysis **Network & Wireless Solutions:** Network Technology, Network Components, Optoelectronics, Gateways, Industrial Ethernet, Fieldbuses, OPC UA, SPE, IO-Link, TSN, Wireless Technologies, WLAN, Bluetooth, Mobile Communications, 5G **Security:** Hardware & Software Security
